To whom it may concern,

I am delighted to write this letter of recommendation on behalf of Mr. William "Wade" Allen. I've known Wade since March when he began his commercial single engine training at ATP's Daytona Beach campus.

Wade has always shown up prepared and ready to learn, he studies hard, arrives early looking professional each day. Wade has been a wonderful student, always asking questions, and wanting to gain as much knowledge as he can on any subject to stay ahead of the task at hand.

I highly recommend Wade. He is a very competent pilot with good ADM skills and will be a great asset to any company.

Sincerely,

A handwritten signature in black ink, appearing to read "Brian Turney". The signature is written in a cursive, flowing style.
