To whom it may concern,

It is a pleasure to write this letter of recommendation on behalf of Mr. William "Wade" Allen. As Wade's Instrument Rating Instructor, I've spent many cross country flights with him during his training at ATP's Daytona campus.

Wade has been an excellent student. He is self-motivated, he arrives early, comes prepared and keeps a professional appearance. I have been quite impressed with Wade's readiness to learn and get ahead in his career. In February, Wade earned Student of the Month while being 40 days ahead in the program.

I am highly recommending Wade. He is an excellent pilot and will thrive in any environment.

Sincerely,

A handwritten signature in black ink that reads "Justin Curtenius". The signature is written in a cursive, flowing style.

Justin Curtenius, Gold Seal, CFI, CFII, MEI
ATP Flight School, Daytona Beach Campus
